	<p>name all those who will be attending with them from their family unit/bubble and offer contact information for registration and contact tracing.</p> <ul style="list-style-type: none"> <li>• <b>NOTE:</b> Mask requirements at Trinity United Church will follow the direction of the Chief Public Health Office.</li> <li>• When the public arrive for worship they will go to the entrance of their assigned Group. In Group “Amen” they will go to the Winter Street Accessible Entrance (which has a separate entrance &amp; exit). In Group “Hallelujah” they will go to the entrance on the corner of Winter &amp; Spring St (which has a separate entrance &amp; exit). These are clearly marked on the attached map.</li> <li>• Upon arrival the public will be asked their registration info (to cross reference with the registration taking earlier in the week) by the Usher assigned to their group. Once they are confirmed to be on the registration list, the Usher will ask the Covid19 questions: <ul style="list-style-type: none"> <li>○ If you have Covid19 symptoms, including new or worsening cough; shortness of breath or difficulty breathing; fever; chills; sore throat; runny nose, sneezing, congestion; headache; muscle aches; unusual fatigue; acute loss of sense of smell or taste, do not enter, but call your doctor, NP or 811).</li> <li>○ If you have COVID-19 symptoms, including If you have returned from travel within the past 14 days, or have had close contact with someone who has tested positive for COVID-19, please go home, self-isolate and monitor for symptoms.</li> <li>○ If you answered no to all the above, you may enter.</li> </ul> </li> <li>• When the public enter another Usher will remind the public to maintain physical distancing and proper hand washing hygiene. They will also be reminded to not go in the areas of the sanctuary that are marked “no admittance” and are divided off. There are clearly marked hand hygiene stations and social distancing reminders within the space for each group. The Usher will remind the public where the designated washroom is for their group. These washrooms are 1 person accessible washrooms.</li> <li>• That same Usher will direct each person/family bubble unit that are sitting together to their designated row and give directions on social distancing guidelines for that row. Once they are seated the Usher will return to sit the next person/group.</li> <li>• When exiting the sanctuary one Usher per group will call out each row to exit, leaving time and space for social distancing (Again no interaction between the two Groups and their volunteers/employees).</li> <li>• Another Usher (the entrance Usher) will be at the assigned exit for their group to make sure there is no loitering. An offering plate station will also be set up at both exits where the same Usher will be standing. There will also be a hand sanitizing station for the public to sanitize again upon leaving. The Ushers will have on their masks throughout this time.</li> </ul>
	<ul style="list-style-type: none"> <li>• If someone needs to use the washroom facilities the Custodian who will be masked will go in after use and clean the washroom.</li> </ul>
	<ul style="list-style-type: none"> <li>• At the conclusion of the service, the minister will invite attendees to proceed directly to their vehicles, upon exiting the church sanctuary, in order to prevent assembly outside the church or in the parking lot.</li> </ul>

## 1. Policy for Exclusion of Employees Requiring Self-Isolation

Prior to beginning work in the office at Summerside Trinity United Church, every employee must sign and date the designated form with the following statement: “I declare, by signing this form, that I have not travelled Internationally or outside the Maritime Provinces and Newfoundland and Labrador within the last 14 days and have not required to self-isolate. I will declare any change in regard to my Health and/or Travel, from this date forward.”

## 2. Illness/Exclusion Policy

Management has communicated to all staff the exclusion policy in place for any person displaying symptoms of COVID-19.

- All staff must self-monitor for symptoms and report to their supervisor if they have concerns about possible COVID exposure or possible symptoms.
- Any staff member developing symptoms of COVID-19 at work must immediately perform hand hygiene, report to manager, avoid contact with staff and leave as soon as it is safe to do so. Please call 811 to arrange testing.
- Symptomatic staff will be required to self-isolate until tested for COVID-19 and the results are confirmed.
- If the test results are negative for COVID-19 but the staff member remains ill and/or symptomatic, they should remain on sick leave.

*Symptoms of COVID-19 include:*

- new or worsening cough
- shortness of breath or difficulty breathing
- fever
- chills
- sore throat
- runny nose, sneezing, congestion
- headache
- muscle aches
- unusual fatigue
- acute loss of sense of smell or taste

### 3. Enhanced Cleaning and Disinfection of Shared Areas and Surfaces

At the end of each service our Custodian will clean all areas used by either Group and secure the building.

Cleaning products will remove visible soil and/or dirt from surfaces. Disinfecting products are used to destroy bacteria and viruses.

### 4. Hand Washing /Sanitizer Stations

We all have to do our part to prevent the spread of illness. We know that practicing good hygiene is an essential part of preventing the spread of COVID-19. To protect yourself and others from getting sick, take the following precautions:

- wash your hands often (in addition to routine times such as after using the washroom, before eating, when handling food for the public),
- cough/sneeze into your elbow or tissue and throw away,
- avoid touching your eyes, nose and mouth with your hands,
- use alcohol-based hand sanitizer if soap and water are not readily available.

**Note:** This template has been developed as a guide to help businesses develop a COVID-19 specific operational plan as required under the Public Health Order issued on May 1, 2020. It encompasses the criteria that must be part of the required plan. This template may be adopted by many simple businesses, but is not intended to fit all operations. Industries and associations are encouraged and expected to develop plans relevant to their industry. Those may be submitted to [envhealth@ihis.org](mailto:envhealth@ihis.org) for review. All businesses must maintain a copy of their plan on site for an inspector to review at any time the business is in operation.
