**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. **All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. by Karen Bridges and Shauna Gibbons—from Camping Sunday Service 2005

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

**Gathering Prayer:**

by Karen Bridges and Shauna Gibbons—from Camping Sunday Service 2005

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. by Karen Bridges and Shauna Gibbons—from Camping Sunday Service 2005

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

**Gathering Prayer:**

by Karen Bridges and Shauna Gibbons—from Camping Sunday Service 2005

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**

**Gathering Prayer:**

by Karen Bridges and Shauna Gibbons—from Camping Sunday Service 2005

**All: Creator God, we hear your wilderness cry from the depth of our souls and long to answer. We seek you out in the silence and beauty of nature, in the sound of the birds, the rustling trees, the lapping water, and the crunching of branches. Our eyes and ears are opened to your presence in the newness of day, the brisk air, and the colours of the sunrise. Be with us in this time of storytelling and memories, guiding us along the forest's edge into oneness with you. May we follow faithfully the way of Jesus in this and all the paths of our lives. Amen.**
